Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction.

I understand that a separate permit must be secured for ELECTRICAL WORK, SIGNS, WELLS, POOLS, FURNACES, BOILERS, HEATERS, TANKS, AND AIR CONDITIONERS, ETC.

OWNER'S AFFIDAVIT: I certify that all of the foregoing information is accurate and that all work will be done in compliance with all applicable laws regulating construction and zoning.

OWNER'S ELECTRONIC SUBMISSION STATEMENT: Under penalty of perjury, I declare that all the information contained in this mechanical permit application is true and correct.

Building Permit Applications shall be submitted on paper and PDF format / CD, for review and contain all the items listed in the Residential or Commercial Application Packet. In addition, plumbing, electrical, mechanical and environmental plans shall be submitted to secure these permits, when applicable. The construction permit fee is based on a \$50.00 fee, plus additional fees according to value per thousand of valuation or fraction thereof. Application is valid for 180 days. Permit is extended for 6 months after each successful inspection. Permit expires after 1 year. Permit fee is non-refundable.

Contractors must maintain, State License, PCCLB License, General Liability and Workman's Compensation Insurance.
