***WHY DO WE REQUIRE THIS INFORMATION?**

Youth program participants are often in situations where a parent or guardian may not be immediately available. Some of this data is often helpful if, in the rare instance, emergency personnel are summoned and we are not able to obtain this information in an otherwise timely fashion. To ensure your child has the best experience possible, birthdates are required so that our software will assign youth program participants to the proper program.

All City of Oldsmar computer files are held on secure servers. The City does not share this information, including phone numbers or email addresses, with any outside vendors, companies or individuals.
