HOW THE PROGRAM WORKS

There will be a drawing after November 16. As each card is drawn, that household will be called and their appointment set. After setting their appointment, the parents are to bring a **SMALL**, gift-wrapped present to Oldsmar Fire Rescue with their child's **name**, **address** and the **date** and **time of Santa's Visit** written clearly on the outside of the package. The presents are to be brought to the Fire Station starting December 5 and no later than December 9.

Santa and his elves, riding a fire truck, will visit the children in the evenings from December 13 through December 17. Santa will bring the child their present.

If there is a group of children, packages should be wrapped per above, put into a large plastic garbage bag with the last name of the host family, address and date and time of Santa's visit on the outside of the bag.
